**Campbell, California, August 3<sup>rd</sup>, 2016** - Stock & Option Solutions (SOS), a leading provider of stock plan outsourcing, temporary staffing and professional services, today announced their upcoming webcast, "The End is Near: Preparing and Checking Your Year-End List (twice!)" is scheduled for August 25, 2016 at 11am PT.

Madori Playford of SOS is joined by Donna Hammer from Yelp.com in this timely topic that is applicable to everyone looking for a smooth close to a busy year. The importance of reviewing last year's documents and making a solid checklist of to-do's for this year come into focus in this educational webcast. The experts will reveal what works and what doesn't when it comes to getting ahead in your year-end preparation.

Playford explains, "During year-end there is such a whirlwind of activity that we can often feel like we are being pulled in six different directions. Start thinking about your processes now and put together a draft checklist that you can update as you get closer to the end of the year. Any preparation you can do ahead of time will help when the whirlwind hits."
