

FOR IMMEDIATE RELEASE

Stock & Option Solutions Presents at GEO's National Equity Compensation Forum 2011

Elizabeth Dodge covers mergers, performance plans at the inaugural edition of equity compensation conference

San Jose, California, September 9th, 2011 - Stock & Option Solutions (SOS), a leading provider of stock plan administration, management and consulting services, today announced that Elizabeth Dodge, CEP, Vice President of Product Management at SOS, will be presenting at GEO's National Equity Compensation Forum 2011 September 14th-16th.

The conference will bring together stock plan professionals from all over the US for 3 groundbreaking plenary sessions and 30 breakout presentations. It will be held in Scottsdale, Arizona at The Westin Kierland Resort & Spa, and will include also include access to the exhibit hall, special events, and breakfast & lunch.

"We are excited to participate in the first National Equity Compensation Forum. We have a great deal of respect for the work GEO has done over the years to improve our industry and help companies deal with the challenges and complexities involved in equity compensation", said Dodge.

Dodge, an industry expert on accounting for equity compensation, will present **The Next Generation of Performance Plans? Fixing Governance Ups and Downs** which has been scheduled to take place on Thursday, September 15th from 11:00 am - 12:00 pm and **Mergers The Real Deal The Stuff You Really Need to Know to Make Your Decisions** which has been scheduled to take place on Friday, September 16th from 10:30 - 11:30 am.

Marianne Snook, CEO of SOS, said, "We have been hearing so many questions and seeing such an influx of companies asking us for consultation in these two areas. Sharing our breadth of knowledge and expertise with this audience is just one way to give back and is one of the many benefits to taking part in this conference."

The Global Equity Organization (GEO) is an international, not-for-profit membership organization, designed to support corporate executives and equity compensation professionals dealing with the challenges of creating, managing and administering quality stock plan programs...for one country or across the entire globe. Founded in 1999, GEO includes more than 2,800 individual members representing over 1,500 companies and professional firms in 59 countries around the world. For more details on the above topics, please contact Elizabeth Dodge at edodge@sos-team.com or 408-979-8700.
